Could someone lend me a ladder this weekend?

I'm painting a small room near Toul Tom Poung. Looking to borrow a ladder for Saturday; I can collect and return it the same day.

Question

Any recommendations for a reliable bike repair shop?

My brakes need a tune-up. Does anyone know a good repair shop around BKK1? Local recommendations would be appreciated.

I'm painting a small room near Toul Tom Poung and looking to borrow a ladder for Saturday. A folding ladder around 2 metres tall would be ideal.

I can collect it in the morning and return it the same day, clean and in good condition. If you have one to spare, please leave a comment below. Thank you!
